Observations... From Around Town

(BY JAY WHOZIT)

It's good to know, folks, that we've gone back to our old habit of never failing to meet a quota. It was gratifying, to say the least, when we heard that the Cancer Fund quota had not only been met but oversubscribed—Al Voight and his committee did a swell job . . . Bay St. Louis and Pass Christian were nationally publicized this week when a press release from New York made known the fact that four Mississippi Coast telephone operators had been awarded silver V-21 medals and \$500.00 in cash each by the Bell system national committee of awards for bravery during the September 19th hurricane . . . these young ladies are Mrs. Victoria Swanner Becker and Miss Marie Lucinas Strong, of Bay St. Louis and Mrs. Gerry Martin Bishop and Miss Nellie Bourdin, Pass Christian . . . may we add our congratulations . . . well, Mr. Mayor, it appears that you read this column—thanks for adding the yellow caution light to the traffic signal at Main and Second, now how about putting the traffic light back at the foot of the highway bridge, because with the summer season at its height, traffic has increased considerably and there may be accidents, which could be avoided . . . also while we're on the subject or improvements, you did a good job with the temporary road from the highway bridge to the Orte Theater, but from there on to St. Charles Street the road is in terrible condition, and in one place it is hardly possible for one car to get by safely, let alone for two to pass each other . . . make your plans now to attend the annual church fair to be held this year on July 3rd and 4th on the grounds in the rear of Our Lady of the Gulf Church . . . well, if you've been wondering about that new 1949 Ford, you can see it now at the Bay Motors Ford Agency on Court Street, we hear it's a honey . . . just as quiet as they disappeared some five months ago, just that quietly rid they reappear last week, end, yep that's it folks, the "slots" are once again in operation and don't ask us "how come" or why, your guess is as good as ours . . . if you've no special plans for this Saturday evening, make up a party and attend the Little Theatre barbecue and picnic at Dupont's Ten Oaks Farm . . . Gulfport citizens will go to the polls this Saturday in a Second Primary to elect their Mayor for the next four years . . . Saint Stanislaus and St. Joseph summer camps are now in full swing with some three hundred youngsters prepared to enjoy the next five weeks in fun and recreation.

—Harry L. Sumrall, Jr., is home from Mississippi College for the summer.

—Miss Kay Applewhite of Brookhaven is visiting Mr. and Mrs. F. J. Arceneaux, Sr.

—Mr. and Mrs. Malcom Schuler of Gretna, La., were weekend guests of Mr. and Mrs. Dennis Johnson.

—Mrs. C. M. Shipp left Monday to visit her sister Mrs. J. W. Bell at Oxford.

—Miss Betty Beyer is visiting Miss Marilyn McGuire in Kansas City, Missouri.

—Mrs. E. Bordeau and Mrs. A. Cloutier left Bay St. Louis on Sunday for California. The ladies plan to visit points of interest enroute.

—Mrs. E. Bordeau, mother of Mrs. E. Weigand, and Mrs. B. Cloutier, mother of Mrs. J. Seeghers, will leave on next Sunday to join a group for an extended tour of the West and Pacific Coast.

—Mrs. Florence Mitchell, former resident of Bay St. Louis and now of San Antonio, Texas, was here for several days as the guest of Dr. and Mrs. J. A. Evans. She visited her many friends and relatives during her short stay.

—Mrs. W. W. James has returned from Atlanta where she went for the wedding of her nephew.

—Frank Wheat, J. E. and Mike Demor, Jerry and "Shorty" Wheat are visiting Mr. and Mrs. John Wheat at Flat Top.

—Miss Mary Lois Roberts of New Orleans is visiting at the home of her aunt, Mrs. Henry Carver, for a few weeks.

—Miss Margaret Beyer and Miss Karen Kergosien are visiting the latter's brother-in-law and sister Mr. and Mrs. Sam Vernon at Earl Arkansas.

—Mrs. Jane Drake Cooper of Natchez arrived here Wednesday of this week for a visit to her brother E. S. Drake at his home on Ulman Ave.

—Mrs. T. J. Togan of New Orleans is spending the summer with her daughter Mrs. Charles Beyer and Col. Beyer.

—Mrs. E. E. Hannan who has been a patient at the Foundation Hospital for the past ten days has sufficiently improved to be removed to her daughter's home at Newton. Mrs. Hannan's daughter Mrs. Wayne Allison, Breath's Lane, has also been ill but is reported better.

Bay St. Louis And Gulfport Legion Teams To Play At Morreale Park Sunday

BOYS IN RECREATION PROGRAM ENJOY ALL-DAY OUTING

Preparing themselves for the regularly scheduled season that opens the latter part of next week, the Bay Rock-A-Chaws under Coach Forster Commagere meet the Gulfport Legionnaires in Morreale Stadium Sunday afternoon at 2:30. There will be no admission for the game.

It has been officially learned that the local lads have been put into the same region with Picayune, Lumberton and Hattiesburg. It was assumed by local fans that they would be in the Coast Region with such teams as Gulfport, Biloxi and Ocean Springs. The regular schedule, arranged in Jackson by the American Legion Baseball Committee, has not officially been released and the exact opening date and opponent for the Rocks isn't known yet.

The Rock-A-Chaw battery for Sunday's exhibition will show captain Buddy Pitalo on the mound and Levy Ladner catching.

Funeral Services Held For Wesley Peterson on Monday

Funeral services were held here on Monday June 14 for Wesley Peterson who died at his home in New Orleans on Sunday June 13. McMahon Funeral Home were in charge of his funeral and the services were conducted by the Rev. Father J. A. Bryan. Interment was in the family plot in Cedar Rest Cemetery.

Mr. Peterson was the son of Estelle Demoran and the late D. E. Peterson and grandson of Mrs. Christina Demoran and the late John Demoran. He leaves a sister Mrs. Louis Bourgeois of New Orleans.

Woodmen Circle To Have Chicken and Spaghetti Supper

The Ladies' Woodmen Circle will have a chicken and spaghetti supper on Wednesday July 7th at 7:00 P. M. to be served at the Oasis Restaurant.

Cooking of the meal will be under the supervision of Mesdames A. Palmissano and R. Bonneval.

Bay Waveland Garden Club Meeting Held At Home Of Mrs. E. N. Spence

Mrs. George F. Stevenson was the first prize in the hat show which featured the program of the Bay-Waveland Garden Club at the June meeting held on Thursday, June 10 at the Waveland home of Mrs. E. N. Spence. There were two classes of hats—those created by the wearer and those trimmed by the wearer.

Mrs. Stevenson's hat was of the small type and was made of ribbon grass and woven and looped on a pasteboard frame. The runner up in this class was Mrs. Edmund F. Fahey, Jr., who wore a hat made from half of a pumpkin hollowed out with fruit and vegetables for trimming.

In the trimmed hat class Mrs. Louis B. Tate was first prize winner wearing a picture hat of black hair braid straw, trimmed in natural sun flowers and covered with black tulle. Second prize winner was Mrs. Nell Ducombe who wore a black crocheted straw, trimmed in Sweet Williams and asparagus sprouts.

Mrs. Max Kohler in the absence of the outgoing president, Mrs. Eugene Mogabag presided at the meeting and presented Mrs. Stevenson, the incoming first vice president, who took over.

The incoming president Mrs. J. R. Rollins was absent due to illness.

Mrs. Stevenson presented the incoming officers: Mrs. L. T. Boyd, second vice president; Mrs. Wilson Wittlesberger, recording secretary; Mrs. J. S. Maufrair, corresponding secretary; Mrs. E. F. Fahey, Jr., re-elected treasurer; Mrs. A. D. Dreshner, parliamentarian.

Entertaining with Mrs. Spence were Mesdames J. E. V. Holzer, J. R. Shadoin, E. C. Carrere, A. L. Rau, and Miss Clara Kergosien.

Guests of the Club were: Mrs. A. Wheeler, Logtown; Mrs. Curry, C. Garner, Meridian; Mrs. Sam Vernon, Earl, Ark.; Mrs. W. L. Melcher, Mrs. Ellis Guillory, Mrs. Joseph Kern. Refreshments were served and a social hour enjoyed.

NOTICE TO THE QUALIFIED ELECTORS OF THE CITY OF BAY SAINT LOUIS

Under the election laws of the State of Mississippi it is necessary to present your poll tax receipts for the years 1946 and 1947 to the managers of the election, to be qualified to vote in the Municipal Election to be held July 10, 1948.

In order to avoid confusion on election day we ask you to have available the original receipts above mentioned. If you have lost or misplaced either receipt a duplicate can be obtained at the office of the Circuit Clerk of Hancock County.

To you people who are over the age of 60 years and therefore not liable for a poll tax, please have available a certificate from the Circuit Clerk of Hancock County to this effect. This is mandatory.

We respectfully urge each and everyone of you to obtain the certificates herein mentioned AT THE EARLIEST POSSIBLE TIME.

Mrs. C. C. Clark Addresses Woman's Society Of Christian Service

Mrs. C. C. Clark of Natchez was guest speaker at the Woman's Society of Christian Service of the Methodist Church at the June meeting held on Tuesday afternoon at the home of Mrs. J. A. Evans.

Mrs. J. A. Tognotti presided and heard several interesting reports from the committee. Mrs. Sam Whitfield, chairman local work committee reported on proposed improvements on the parsonage which met with approval and cooperation of the society.

Mrs. J. D. Vaughn led the devotional on the subject, "I Am My Brother's Keeper" and said that one lived unto themselves.

Mrs. Clark's talk was centered around the topic "The Christian and The Alcohol Problem."

Mrs. Clark brought out in relief that the solving or trying to solve the alcoholic problems is definitely the work of the Christian, of the Church. She defined an alcoholic one who has his values mixed up and it is the work of the Christian to help him find his values. It is the work of the church to redeem, not condemn.

Mrs. Clark said that education is the factor for the help of the alcoholic and named as the three major channels through which the work is being done: The State Board of Education; the Mississippi Council of Churches; the Methodist Temperance Board.

Mrs. Clark who is no stranger to Bay St. Louis, was at her best and it was not only a privilege but a pleasure to have had her here.

The closing prayer was given by Mrs. J. H. Thompson.

Refreshments were served and this gave the more recent members of the society an opportunity to meet Mrs. Clark personally.

Visitors were Rev. C. C. Clark, Rev. and Mrs. Roy C. Clark and little daughter Linda, of Wesson; Mrs. Troy Harkey and Mrs. Alice Buckley of New Orleans; Mrs. Winston, Pass Christian; Mrs. Roy C. Cagle and Mrs. R. W. Gaston.

Entertaining with Mrs. Evans were Mrs. C. M. Shipp, Mrs. Carrie Riddle and Miss May H. Edwards.

Mrs. Wm. J. Morreale Died Sunday At Hotel Dieu

Mrs. Bernice Antoinette Peniciao, wife of William J. Morreale, died at Hotel Dieu on Sunday, June 13, at 9:11 a. m.

Her funeral was held here on Monday afternoon at 4 o'clock from the Fahey Funeral Home with religious services conducted there and at Our Lady of the Gulf Catholic Church by Rev. Father J. A. Bryan. Interment was in St. Mary's Cemetery. Pallbearers were Luke Chiniche, Norman Comprett, Wayne Mauffray, John Scianca, Joseph Comprett, Irwin Ladner.

Mrs. Morreale was 31 years of age and besides her husband she leaves three children, Pearl Ann, Dominic and Jake Morreale. She also leaves her parents Mr. and Mrs. Joseph Peniciao of Bay St. Louis; three sisters Mrs. Katie Pizzolano, Mrs. Mary Ybos, and Nancy Peniciao of Bay St. Louis; Five brothers Lucien, Frank, Joseph, Johnny and Sammy Peniciao, also of Bay St. Louis.

LITTLE THEATRE TO HAVE BIG BARBECUE

The Little Theatre is sponsoring an old fashioned Country Fair and Barbecue, Saturday, June 19th at Ten Oaks farm from 4 to 7. The best way to get there is to cross Highway 90 and continue out Washington road.

The shaded acres of the Duquaines will resound with echoes of music, dancing drinks and games—for those

are a few of the attractions of the evening. But who knows what will develop when "We jolly good fel-

lows get together?"

Delicious food and plenty of it is another of the main attractions planned for the occasion. For all that is above mentioned and more, the price of admission is only \$1.50, ed in unison

which entitles you to ALL YOU CAN EAT! Tickets can be bought at the Beach Drug Store or at the gate.

The proceeds from the barbecue will go towards completing the new Little Theatre playhouse, which is already two-thirds finished. We hope to present the next play, "The Kelley and Miss Ruth Kirt teachers,

had a Bible drill on the creation of the world which they had studied.

Their song was "Praise Him."

Wood taught the juniors and the class gave quotations from the Scripture with Bible reference. Noleen

Kelley and Patricia Kelley played "Progress March" as a piano duet. Carl Campbell played a clarinet solo "Faith of Our Fathers."

The intermediates, taught by Mrs. Wilson Webb and Mrs. Jerome Phillips, took a Bible drill led by Geraldine Middleton, Shirley Favre, Mary Favre, Raymond Tomlinson, Peaches Penton and Pansy Parker sang "In The Hour of Trial"; Betty Mitchell and Raymond Tomlinson sang as a duet "Footprints of Je-

sus."

The handicraft work was under the direction of Mrs. John T. Dear-

ing and was a creditable exposition of work done by the children. There were aluminum coasters etched glassware plaques containers for polli-

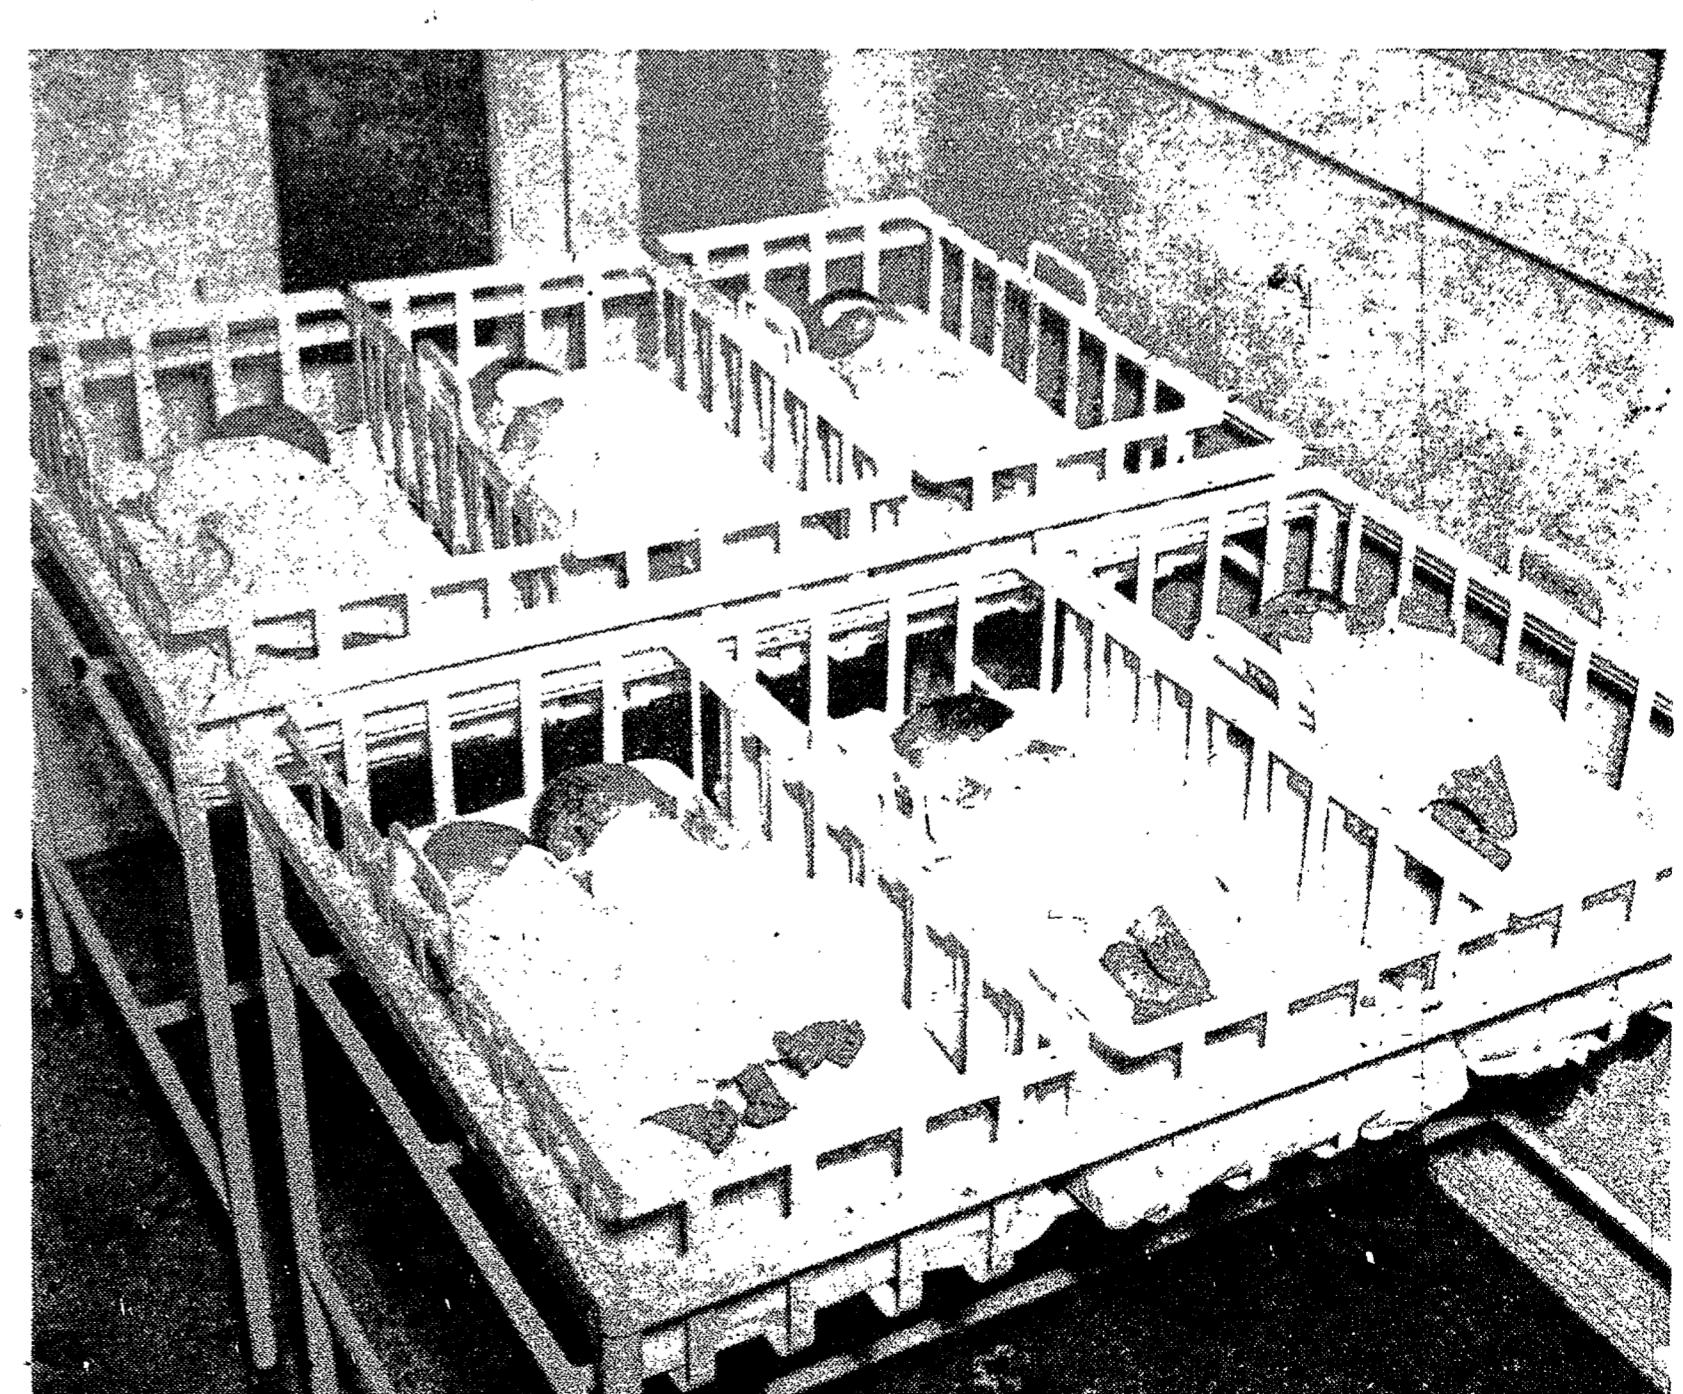

vers, scrap books, story books, paper lanterns and many other articles

Mesdames M. L. Hill, H. L. Sumrall and Earl Ramond were pianists for the school. Mrs. T. B. Sellers and Mrs. A. H. Gregory were in charge of the refreshments. There were 74 enrolled in the school with an average attendance of 58.

The entire school enjoyed a picnic Friday at the close of the school's morning session.

Sunday School Class Of Methodist Church Sponsor Supper

The young people who comprise Dr. Evans' Sunday School class of the Methodist Church on Thursday evening of last week sponsored a supper from which they realized \$132.95 with expenses of \$49.75. The young folks did a good job having only two days to plan and prepare for the event.

need of more hospital facilities. Some of these babies and their mothers had to be taken home a day or two earlier than perhaps it was best to, because of the crowded condition of the hospital and nursery. Room had to be made for others who were coming along.

THERE MUST BE AN ANSWER

What is wrong with Bay St. Louis? There certainly must be an answer to this question. There is much discussion on all side of the many wrongs. We have listened intently for the suggested cure, and yet none has come to the front.

It seems impossible for the minds of the business men to meet in accord. There is a strained feeling in every group meeting that may be had. Certainly there must be some reason for this. Many times the charge has been made that it is politics. Politics of course may be the root of some evil, nevertheless there must be some underlying cause engendering the personal feelings that today is retarding the progress and growth of Bay St. Louis.

We are inclined to believe that this feeling is brought about through the fights that are made for the purpose of protecting what is commonly called "The rackets," by a group of outstanding men, who have yet to make an appraisal of what the ultimate results of their effort will be. Of course it may mean personal riches to these few, yet on the other hand with no continuation it cannot be hoped that any good will ever redound to the City as a whole.

Much good could be accomplished if these particular men, would devote their time, money and effort to civil improvement and betterment, and by example and encouragement help develop the youth of our City to assume leadership in time to come. How much happier they would be. They could in time point with pride to their accomplishments. They have the ability and the energy to put over worthwhile projects.

We cannot believe that any human being is happy and contented when there is a constant fight at hand. Happiness and discord do not go hand in hand, and in the end men will only check over the situation they will find that much of the existing difficulties emanates from the slot machine operations.

Unquestionably these men are leaders in our County. They have displayed unusual ability in many instances. They are good business men and Bay St. Louis needs their help for good. Think of what could be accomplished in their efforts and energies were turned to constructive purposes.

The cure as we see it is for all to strive towards one goal, the betterment of Bay St. Louis and the building up of the youth of our community for future leadership away from the environs and the thought of easy money from the so called rackets.

WHICH DO YOU WANT?

We need good sound publicity to aid in the development of Hancock County. Publicity of the type that recently appeared in the New Orleans papers showing Dr. John M. Whitney, Health Superintendent, presenting C. E. Roemer of Roemer Dairies a certificate for the distribution of Grade A milk in the City of New Orleans. This milk is produced in Hancock and Pearl River Counties, and is processed in the Roemer Creamery in Bay St. Louis.

On the other hand, a few days later, we again received front page publicity in the New Orleans papers. This time it was not so favorable. It displayed the picture of the zoo located on Highway 90 between Bay St. Louis and Pearl River and a story of much length stating that a tourist had been swindled out of \$500.00.

Which publicity do we want? Certainly the answer can only be one. The type that shows the growth, improvement, and worthwhile things that are being done, in our County.

The office of Sheriff is an exalted one. A position to which a new man is elected every four years. The usual thing is that the man elected to this position is not a trained police officer, and does not know the smooth method of the average slicker who operates the skin game, and in many instances he is disarmed by their smooth talk and they are allowed to operate. We cannot believe that our sheriff, whom we still believe to be a conscientious officer would allow such operation to take place in his county if he had known that it was set up for the fleecing of the public.

Of course it is easy to condemn a public officer; we have felt and still feel that our sheriff is honest at heart and that he wants to do what is right. That he as much as any citizen of the county wants to improve conditions. We are hopeful that in the future he shall not allow himself to be drawn in by such operations that will bring such unfavorable publicity to his county.

We need the tourist and we need good sound business enterprise in our midst, and we should all join together to lend encouragement to both. The men who hold official positions in our County after all are the ones upon whom we depend to lead the way.

AN OPEN LETTER

May 28, 1948
An Open Letter to The Editor
The Sea Coast Echo
Bay St. Louis, Miss.
Dear Mr. Favre:

I have read in the Sea Coast Echo of the rumors labeling my friend, J. Lewis Henderson, a Communist. I think that I knew the Henderson family as well as anyone when I was their pastor in Bay St. Louis, so I can say with some authority that he is NOT a communist. I know of no one who has fought with more courage and zeal for the cause of Democracy and the practice of Christian principles than he and his wife. I congratulate him for having the "grit" to carry-on his efforts for civic improvement in spite of the few who would "smear" him. It is such qualities as this in her citizens that has made and will make America a truly great nation. As Lowell says:

Is true freedom but to break fetters for our own dear sake,
And with leathern hearts forget
That we owe mankind a debt?
No! True freedom is to share

All the chains our brothers wear,
And with heart and hand, to be
Earnest to make others free!

They are slaves who fear to speak
For the fallen and the weak;
They are slaves who will not choose
Hatred, scoffing and abuse,
Rather in silence shrink
From the truth they needs must
think;

They are slaves who dare not be
In the right with two or three.

Sincerely yours,

Philip E. Pierce.

ORTTE THEATRE SUNDAY - MONDAY "ALIAS A GENTLEMAN"

With Wallace Beery And Tom Drake

Wallace Beery rumbas.—Wallace Beery romances. — It's a Wallace Beery riot—when the "lovable bum" gets dressed up in a tuxedo for the 1st time in fifteen years for his latest M-G-M starring picture "Alias A Gentleman."

Not since he starred in "Grand Hotel" and "Dinner at Eight" has Beery donned "soup and fish" on the screen, so "Alias A Gentleman"

It is indeed good to see the old familiar faces of Anchorage Subdivision having their usual little meetings every evening at Sears Ave. and the Beach. This includes the Harvey family, Dot and Adele Kelly, Blaine and Miriam Gregory, the Lafayes, Ed and Louise Lasker, Carl Otto, Lily and Tom Trudeau and others. These folks take a keen interest in Waveland, and full credit should be given for their efforts in getting this section back in fine shape.

becomes a noteworthy film to mark the 250th picture in his thirty-five years in the industry.

The star is surrounded by an outstanding supporting cast, topped by Tom Drake who appeared with him once previously in "This Man's Navy." Drake, one of the most popular of Hollywood's new young leading men has been climbing swiftly since his performance in "The Green Years." He recently scored with Spencer Tracy and Lana Turner in "Cass Timberlane."

Another top young player in Hollywood, Dorothy Patrick, praised for her portrayal of Mrs. Jerome Kern in "Till the Clouds Roll By" and for her dramatic role in "High Wall" with Robert Taylor, plays romantic lead opposite Drake.

As Berry's vis-a-vis in love and laughter is Gladys George, veteran stage and screen actress, whose latest film appearance was in "The Best Years of Our Lives." To her goes the dubious—but hilarious—not of teaching Beery to dance the tumba.

In a modern setting, another rarity among Beery's recent pictures, "Alias A Gentleman" finds Wally raising a beautiful daughter, played by Miss Patrick, busting up a racketeer's mob staging a knockdown fight with Drake becoming a connoisseur of fine art and dishing out a mean line—in French!

Leon Ames, Warner Anderson, John Qualen and Sheldon Leonard are in the featured cast. Harry Beaumont, veteran comedy director, whose picture "Broadway Melody," won the 1939 Academy Award, directed; Nat Perrin produced.

PROVING MY STATEMENT

Hello, Folks:

When I made my official announcement as a candidate for Mayor in this paper, I also made the statement that a sand beach would get under construction within 2 weeks to be completed before the beginning of the ensuing summer season. At the time of making the statement, I personally knew of the amount of taxes collected by the City and what the cost of City operations was. However, the statement caused some adverse criticism among those of you who did not realize the total annual city collections. NOW YOU KNOW, and this is to remind you that the amount is \$191,715.50.

Of this amount the City's annual expenditure is \$90,000, leaving a balance of \$101,715.50 that can be utilized to the advancement and betterment of our City. The following can be accomplished the first year:

Retirement of City Debt	\$20,000
Sand Beach	15,000
Drainage	10,000
Street Improvement	15,000
Waterworks Improvement	12,500
Playgrounds	8,000
Police Department	6,000

This still leaves a balance of \$15,715.50 which could be used for unforeseen developments.

So again I say that the statements I have made in this paper regarding my campaign are all entirely possible, providing the proper man is elected to this responsible office. Are you as a true American going to be an independent voter? Or will you be misled by false representations of the present administration and forfeit your individual privilege? I warn you to exercise this liberty with caution. Be certain that your candidate will have the welfare of our City at heart and work with justice, loyalty and unselfishness toward the ultimate goal—A bigger and better Bay St. Louis.

Your Independent Candidate,
EARL F. RAMOND.

HOW SOUTHERN INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

Cooking A TEMPEST IN A TEST TUBE

The chemical industry is making giant strides in the South. No other industry in the nation is expanding so fast. The development of the chemical industry forms a dramatic example of the way natural resources can be put to use to serve mankind. And natural gas has been of enormous value in the expansion of that industry.

But natural gas, like other natural resources, must be gathered, processed and moved to places where it can be used before it becomes of value to anyone. This is the work of the United Gas companies—converting what might otherwise be a valuable resource into an efficient fuel for hundreds of cities, towns and industries. This is practical conservation, for it creates jobs, stimulates industrial development, and benefits all the families of the South.

CHEMICAL INDUSTRY

The chemical industry is of vast importance to the security and prosperity of our nation. Its products are going to practically every manufacturing process... its research is opening bright new vistas for the whole world. Here, indeed, is Free Enterprise at work—with private capital and private energies combined for the benefit of all.

A. & G. THEATRE
THURSDAY - FRIDAY
"THE BIG CLOCK"

Ray Milland Hits New
Stride As Star of Unique
Thriller

Ray Milland, who carried off just about every acting honor extant as the tragic dipsomaniac in "The Lost Weekend," is now reported to have—in Paramount's "The Big Clock"—an even greater role in a film as far off the well-beaten Hollywood path as was the Award winning classic on alcoholism.

In "The Big Clock," which arrives next Thursday and Friday, at the A. & G. Theatre, with Charles Laughton also starred, murder, not rum, is the demon which haunts Milland and involves him in a manhunt packed with suspense that is as unusual and daringly different as the picture itself. For "The Big Clock" times a man's search for himself—with death the reward for his success.

A complete departure from past murder mysteries, this screen adaptation of Kenneth Fearing's best-seller

ing novel dares to let its audience in on the killing and the killer, and then proceeds to thrill and mystify

as it breathingly unfolds a man's desperate attempt to escape the death-trap he is forced to set for himself.

Not even in the incomparable role which won him an "Oscar"—advance notices proclaim—has Milland been so superbly harried as he is in his portrayal of terrified George Stroud in "The Big Clock."

Stroud, editor of a detective story magazine, one publication in a huge magazine empire ruled iron-handedly by Earl

wife and son.

Suddenly he finds himself embroiled in the murder of Janeth's blonde girl friend and ordered by the tyrannical magazine magnate, him self actively associated with the crime, to utilize his expert detecting talents to find the victim's companion of the evening she was murdered. Thus Stroud begins his search for himself, a chase which, it is said, builds in suspense until it reaches the grasping point in its exciting surprising climax.

Supporting Milland and Laughton in "The Big Clock," are Maureen O'Sullivan, George Macready, Rita Johnson and Elsa Lanchester.

INCREASE 26%
SINCE WAR END

Materials have been hard to get and are still hard to get but we have been able to expand facilities so that we now serve 26% more customers than at war end—a percentage increase nearly twice that of the nation.

The power needs of new customers have added to the requirements for power generating stations and new production capacity is being installed as fast as factories can produce equipment.

On many critical materials today's best delivery quotations are still two years or more in the future, and the cost of all the materials we buy are at new high levels. Deliveries on orders which were placed years ago are supplying the means by which we build with speed today to meet your needs to the fullest possible extent.

Program In Adult Elementary Education Offered Veterans

Jackson, Mississippi, May 29 (Special)—The State Board of Education, according to State Superintendent of Education J. M. Tubb, has entered into a contract with the Veterans Administration to offer a program in Adult Elementary Education for veterans of World War II. The purpose of this program is to provide a plan whereby those adults, irrespective of race, who have had little or no formal education may have an opportunity to attend an organized academic Course of Study. It is anticipated that a large number of negro veterans will take advantage of this opportunity.

M. Tubb states that three Course Groups are offered. Course Group I, 1st through 4th grade level, will consist of arithmetic, English and reading; Course Group II, 5th and 6th grade level will consist of arithmetic, English, geography, and health; and Course Group III, 7th and 8th grade level will consist of arithmetic, English, agriculture, forestry and science. These three course groups are divided into eight month periods of instruction with a minimum of fifteen hours per week.

Local authorities have complete authority in accepting the advantages of this program. Teachers will be elected by local boards of trustees; work will be done in the regular school buildings, after the regular school hours and taught by teachers holding a valid teacher's license in Mississippi. Mr. Tubb emphasizes the fact that this program is designed to make it possible for veterans

POWER COMPANY SAFETY PLEDGE ON DISPLAY

On display this week at the Mississippi Power Company Office is a safety pledge signed by every employee of the Company's Gulf Coast Division. The pledge was signed by A. H. Gregory, E. J. Nease, M. J. Nease, James Kinnel, and Margaret Cook of the local office. This is a part of the company's continuing efforts to reduce accidents and is being used in conjunction with a campaign throughout the company to make June a no-accident month. A. H. Gregory, local manager, said this week.

The Bay St. Louis operation has, over the year, maintained an excellent safety record the last accident involving loss of time here being in July 1938.

"Safety has always held an important place in the operation of the company," said Mr. Gregory. Safety meetings are scheduled regularly at which time tools and equipment are inspected and artificial respiration is practiced. Safety aids, such as posters, safety instruction cards, pamphlets and booklets are distributed frequently, and the company maintains a sound slide film library of safety films which are presented several times a year to the various groups of employees.

The company's interest in safety is exemplified by a statement by Mr. Sweet, president, "I urge upon every member of the organization a renewed application of the principle that in doing the work of this company, safety is a first consideration."

The safety pledge which has been on display is:

In the interest of my own safety and that of others, I promise myself that—

1. I WILL work safely on each job on which I am employed.
2. I WILL help others to work safely, and will take an active part in the safety program of my company.
3. I WILL observe safe practices in my home and will teach my family always to follow safe ways.
4. I WILL inspect my home for hazardous conditions and correct any that may exist.
5. I WILL be a careful driver and will set an example of safe driving to others.
6. I WILL observe all traffic signs, signals and other traffic regulations.
7. I WILL make sure that each member of my family who drives a car becomes a safe driver.
8. I WILL discuss safety matters with my friends and neighbors.
9. I WILL try to encourage interest in accident prevention in the organizations of which I am a member, and will try to influence each of them to carry out some definite safety activities.
10. I WILL support by my personal influence all the safety work carried on in my community.

FACTS FROM THE RECORD

To the Citizens of Bay St. Louis:

The Annual Audit of the City of Bay St. Louis for the fiscal year of 1941 contains a record of the following disbursements:

Municipal Street Improvement Bond Fund
April 30th, 1942 J. R. Rollins Engineer \$4051.56

Municipal Water Works Improvement Bond Fund
May 3rd, 1942 J. R. Rollins \$4475.10

The Audit lists these disbursements just as they are written above; it gives no explanation why these amounts were paid to Mr. Rollins. Being possessed of a curious nature, I inquired further into the matter and discovered, with the aid of Mr. Charles Gordon, City Auditor, that the disbursements were entered in the Improvement Bond Fund Ledger, as payments for Engineering Services Rendered. I have diligently searched through the minutes of the City Board for some official authorization of these disbursements, but there is none to be found. I asked Mr. Bourgeois for some information that would explain this \$8,526.66 payment to Mr. Rollins and he informed me that the City had employed Mr. Rollins to make a survey of all the unpaved streets in Bay St. Louis and to draw up plans and specifications for hard-surfacing them. These plans and specifications were required because at that time the City was applying to the Public Works Administration for Federal Aid to do all this "paving". Mr. Rollins himself, informed me that the "project" was approved by the PWA, but because of the war situation, the project was eventually rejected.

I have been trying to get to the bottom of this \$8500 payment to Mr. Rollins for almost two months and it was only this week that Mr. Bourgeois made available to me the official files containing the plans and specifications and applications for Federal Aid. Just as I suspected, the official Records, contained in this heretofore "secret" file, do not coincide with the amount actually paid Mr. Rollins.

Here are the facts as contained in the official files; the City of Bay St. Louis, in April of 1942, applied for Federal Aid on two proposed projects. One was a City-Wide Water Works Extension Project, and the other a City-Wide Street Improvement Project. Mr. Rollins, Consulting engineer, submitted detailed plans and specifications for both projects. In these very plans and specifications the Engineers Fees are listed as follows:

Water Works Project—Engineering Fee, 3% \$4018.50

Street Improvement Project—Engineering Fee, 3% \$3631.00

Add these two figures and we get a total of \$7649.50. Mr. Rollins was paid \$8526.56. That represents an \$875 discrepancy, WHY?

To further illustrate the inconsistency of our present Administration in conducting the affairs of our City, I want to present the following information, taken from the official minutes of the City Board: In 1941, Mr. E. S. Drake was engaged by the City of Bay St. Louis to submit a street improvement project to the Public Works Administration with the understanding that in the event the project was rejected by the PWA Mr. Drake would receive only a flat fee of \$200. The project did not receive approval and Mr. Drake was paid exactly \$200.00.

Here is another illustration; the following Statement is recorded in the Second Regular Meeting of Dec. 18th, 1939:

City of Bay St. Louis,
Bay St. Louis, Miss.
To
Smith and Norwood, Architects
Gulfport, Miss.
Engineering Services Preparing Plans and
Specifications for Street Improvements.
Estimated Cost \$167,047.55
Engineering Fees as per contract, 1.5% \$2,505.71

This Statement was approved for payment.

We shouldn't have to wonder now why our City Funds are always depleted, even though tax collections have been 100% for the past year or so. It should be evident to all why we are burdened with a 43 1/4 mill levy, and why the present Administration intends to put on an additional 3 mill levy next year.

Certainly the vast majority must realize that we have reached the saturation point. Our only possible alternative is a change. Be prepared and determined to vote for an honest, capable and qualified man. I am sincerely confident I can measure up to these standards. I earnestly solicit the vote and influence of each and every one of you.

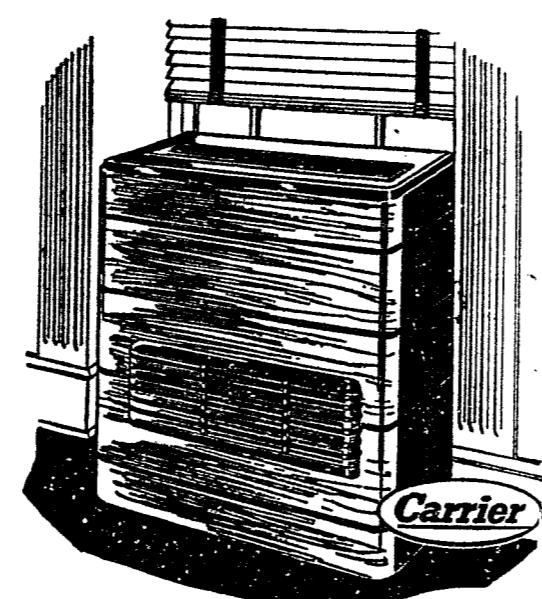

Sincerely yours,

JOHN A. SCAFIDE.
